Tennessee River Federation

Dear Pastors/Youth Leaders:

The 2018 year has begun and your new federation team is excited to serve you! Our first youth event this year will begin with our Winter Federation on January 27 at New Life SDA in Huntsville AL and our Fall Federation will occur on September 29.

These weekends are enjoyable times for our youth to fellowship and receive quality ministry opportunities, and have an opportunity to reconnect or make a decision for the first time to serve the Lord. These weekends cost, and we need for our federation churches to pay their dues to assist with the finances needed to provide quality programming. Please keep in mind that the federations do not have conference budgets and depend on the churches to pay dues to subsidize programming.

It is that time for you to send in your dues. Email Betsy Parham (federation treasurer) for your dues amount at alwaysbcreative1@gmail.com. Please make **check or money order** payable to **Tennessee River Federation**, and send it to the treasurer by **June 30** to the following address:

Thank you for assisting your federation as we reach out to your youth!
